This will require incremental funding so will be submitted to the INAC Financial Management Committee as a funding pressure. Work on this initiative will be dependent on the availability and timing of funding.		
6. Provide consistent training and guidance to non-delegated managers and administrative personnel across the department who are actively involved in staffing processes.	The NCR Operations have added to the NCR Training calendar learning events in the form of learning capsules for all hiring managers (non delegated) on topics such as Staffing Options, Collective Staffing, Duty to accommodate etc. Currently, the offerings are in the 2008-2009 training schedule and will be continued in the 2009-2010 fiscal year with additional capsules on various staffing themes. These will be made available to Regional Directors of HR for delivery in other regions.	December 31 2010	Update/Rationale: As of 30/09/2009: Training is provided: Collective Staffing Tools for Managers and Supervisors, Staffing options for Managers, Duty to accommodate for Hr professionals, Managers and Supervisors, Succession Planning for Managers and Supervisors, the role of Hr professionals in the New Integrated Planning Model. AES: On track, good progress
7. Develop a robust action plan, including specific roles and responsibilities of HRWSB, regional HR staff and IM/IT, to ensure data integrity within PeopleSoft prior to implementing the PWGSC pay interface.	In the context of the PeopleSoft V8.9 upgrade project, system data has been cleaned to allow for system upgrade. To ensure on-going data quality, a Data Quality Strategy and Plan has been developed for on-going management of data integrity.
