Value for Money Audit: Giant Mine Remediation Plan			
APPROVAL DATE: 09/28/2012			
PROJECT RECOMMENDATIONS	ACTION PLAN	EXPECTED COMPLETION DATE	PROGRAM RESPONSE
1. The Assistant Deputy Minister, Northern Affairs Organization, should ensure that the proposed governance framework for the Giant Mine Remediation Project is finalized and implemented, with minutes and records of decision documented for the key governing bodies, such as the Oversight Committee and the Senior Project Advisory Committee.	The GMRP team accepts this recommendation. The proposed GMRP governance framework will be finalized, approved by the Project Leader, and fully implemented to operational status. This applies to all current governing bodies included in the proposed governance framework, specifically Senior Project Advisory Committee, Management Board, and Project Leadership Committee. Operational status for each body will include formalized and approved Terms of Reference, agenda, minutes and records of decisions (where not already on- going).	September 27, 2012	Status: Update/Rationale: As of 31/12/2012: Completed – September 27, 2012 The proposed GMRP governance framework has been finalized, approved by the Project Leader, and fully implemented to operational status. This applies to all current governing bodies included in the proposed governance framework, specifically Senior Project Advisory Committee, Management Board, and Project Leadership Committee. Operational status for each of these bodies includes approved Terms of Reference, meeting agendas, minutes and records of decisions. AES: Implemented. The recommendation will be closed. Closed.
2. The Assistant Deputy Minister, Northern Affairs Organization,	The Giant Mine Remediation Project Team will expand the scope of the risk assessment	PPA Phase Project Execution Plan:

 5. The Assistant Deputy Minister, Northern Affairs Organization, should ensure, through consultation with the Chief Financial Officer, that the current approach to procurement management for the Giant Mine Remediation Project is strengthened by: Improving the tools and guidance to support contract monitoring and reporting of expenditure variances and performance measures and targets. 	 The GMRP team accepts this recommendation. The following actions will be implemented in consultation with the Chief Financial Officer: A Procurement Management Plan will be developed to ensure funds that are being expended by PWGSC are achieving objectives and that variances are integrated into the Giant Mine Remediation Project's Performance Measurement Strategy and reported regularly to the Project Leader and Senior Project Advisory Committee. Materiel and Assets Management Division will implement a process where the monitoring of the file will be done quarterly. As of September 4th, all call-ups will be 	DATE March 31, 2013 September 4, 2012	Status: (Delayed)Update/Rationale: As of 30/06/2013:Integrated Procurement Management Plan (AANDC & PWGSC) to be developed and included in PEP: DelayedThe Project Execution Plan was completed mid July 2013 and is currently awaiting approval by the Project Sponsor An Integrated Procurement Management Plan (AANDC & PWGSC) has been developed and forms part of the PEP. This portion of the PEP is an AANDC Statement of Requirements which provides direction to PWGSC aimed at helping them develop their procurement strategy. The PWGSC Procurement Strategy has been delayed and is currently undergoing internal PWGSC review and is now scheduled for submission to AANDC in late July 2013.Procurement Management Plan has been
